

OVER ONE HUNDRED LIVES LOST IN WRECK

French Steamer Totally Destroyed on Les Portes Reef.

BOILERS OF STEAMER EXPLODED

Many Bodies Are Picked Up on the Beach—Corpse as Found Presented an Awful Spectacle, Showing the Terrible Struggle They Underwent.

Paris, Nov. 21.—Special reports received here of the wreck of the steamer Hilda which left Southampton on Friday night for St. Malo, France, and were totally wrecked on Les Portes reef, outside of Jarin light house yesterday morning with the loss of over a hundred lives, give a graphic description of the disaster.

Owing to rough sea weather with a thick snow storm, the captain of the Hilda probably took the buoy light of the rocks for the St. Malo lighthouse. He gave signals which were not seen by harbor employees and the steamer proceeded slowly towards the light. Then the Hilda struck the rocks, the steamers boilers exploded and she was cut in two, giving the passengers no time to save their lives.

Seven bodies wearing life belts were stranded off the village of Ct. Cast yesterday evening. The coast near St. Malo is covered with the wreckage. Two-thirds of the Hilda's passengers were French farmers returning to France with heavy sums in gold from the sale of their yearly harvest of onions and potatoes. The others were English families who were going to spend the winter at Dinard.

The wreck lies at Battle, 3 miles off St. Malo, showing only her mainmast and foremast.

A correspondent of The Matin went to the scene of the wreck on a government steamer with the local officials. They picked up five bodies which were entangled in the rigging of the Hilda. The bodies presented a dreadful spectacle with arms and legs twisted in all directions and hands torn from the desperate struggle for life.

123 Men Were Drowned.

London, Nov. 21.—The London and Southwestern Railway company announced this afternoon that an official report had been received from St. Malo stating that the total number of persons on board the Hilda wrecked off the French coast Sunday morning was 129. As only six were saved, 123 were drowned.

A telegram from St. Cast, near St. Malo, says that 51 bodies have been washed up on the beach.

Burned at Stake by Indians.

Los Angeles, Cal., Nov. 21.—In a letter received by George W. Knox, of this city, the fate of Henry Miller and Gus Olinde, who left here on an expedition to Tiburton island, in the gulf of California, a year ago, and who have never been heard from, is probably disclosed. On the desolate shores of the gulf of California, near a deserted Indian village, a wandering herder has just found the trappings of Miller and Olinde, a book of nautical science, which belonged to Captain Olinde, and a pair of human hands, which may have belonged to one of the unfortunate men.

REAL ESTATE MATTERS.

Several Good Deals Are Expected to be Made in a Few Days.

While there is no great stir in the real estate market in this city at the present time, there is bound to be a movement along this line soon that will cause some stir along that line.

In the city the prices are firm and many persons would purchase at once if the prices were at what they think would be not too high. There are many inquiries regarding farming lands, and in one or two instances dealers in farm lands are preparing to advertise their offerings in many Northern States.

There is a good demand for farming lands at the present time and it is quite apparent that it will be better in a few weeks or months.

Orino is more effective than pills or ordinary cathartics. Refuse substitutes. J. W. McCollum & Co.

Head Ache Sometimes?

If so, it will interest you to know that it can be stopped with Dr. Miles' Anti-Pain Pills; and without any bad after-effects, and this without danger of forming a drug habit or having your stomach disarranged. They positively contain no opium, morphine, cocaine, chloral, ether or chloroform in any form. Dr. Miles' Anti-Pain Pills relieve pain, and leave only a sense of relief. The reason for this is explained by the fact that headache comes from tired, irritable, turbulent, over-taxed brain nerves. Anti-Pain Pills soothe and strengthen these nerves, thus removing the cause. They are harmless when taken as directed.

"We use Dr. Miles' Anti-Pain Pills for the cure of headache, and we think that there is nothing that will equal them. They will cure the severest spell of nervous or sick headache in a very few minutes. I am of a nervous temperament, and occasionally have spells when my nerves seem to be completely exhausted, and I tremble so I can scarcely contain myself. At these times I always take the Anti-Pain Pills, and they quiet me right away. It is remarkable what a soothing effect they have upon the nerves."

MRS. F. E. KARL, Detroit, Mich.
